Everyone likes to have a party with their friends but sometimes it can be hard to think of a theme. We think that having a Little People, BIG DREAMS party is the most fun and here are some ideas for how to go about planning one of your very own!

- Make a guest list!
- Pick a date and a time.
- Decide where the party will be. Will it be indoors or outside?
- What activities will you do? We have some fun ones to download here. You could read your favourite book to your friends, or make up a game for them. What about guessing who your favourite Little People, BIG DREAMS person is!
- Think about how you might decorate your space for the party. Will there be any music?
- Don’t forget to send out invitations to everyone you would like to come!
- Finally, HAVE FUN!
I'm having a Little People, BIG DREAMS party and would love you to celebrate with me!
