

# peruvian turtleneck sweater

On my trip to Peru several years ago, I saw many beautiful examples of this folk design and was inspired to create my own version. The electric colors are typical of the look. You may even recall that the late Princess Diana was wearing one of these Peruvian designs in a photo widely released upon her engagement (but that was a long time ago, and I'm showing my age by sharing that story with you)!

## INSTRUCTIONS FOR PERUVIAN TURTLENECK SWEATER
