## DECORATING INSTRUCTIONS

Bake and cool bird cookies on sticks. Make the bird fondant piece using either solid colors of rolled fondant or printed rolled fondant made from edible frosting sheets. Insert a ball tool to emboss an indentation for the eye. Remove the beak and the feet. Add a dot of piping gel for the eye. Insert a black sugar pearl. Cut the back feathers with a comma cutter using either solid colors of rolled fondant or printed rolled fondant using edible frosting sheets. Attach to the bird with piping gel. Make the beak and feet using orange rolled fondant. Cut with the same cutter that was used for the cookie. Attach to the bird with piping gel. Cut a piece of Styrofoam to fit the birdhouse. Spray the Styrofoam black. Arrange the cookies in the birdhouse.
