Prepare white run sugar icing.

DECORATING INSTRUCTIONS

Outline and fill the cookies with white run sugar. Allow the icing to set completely. When the icing is set, color the details on the flowers. Allow the colors to dry. Outline the details with a black food color marker. Line the flowerpots with plastic wrap. Add candy clay. Arrange a flower and leaf in a flowerpot. Seal the plastic around the candy clay. Add the green Sixlets to hide the candy clay.
