Prepare buttercream icing in the following colors: white, turquoise, light green, light pink, and ivory. Prepare run sugar icing in the following colors: white, red, and green.

DECORATING INSTRUCTIONS

Snowflake confetti

Color the white snowflake confetti with the luster and petal dusts.

Wreath

Pipe the leaves using buttercream and tip #350. Immediately add custom-colored snowflakes, dragées, and nonpareils. Pipe the wreath bow using buttercream and tip #46. Spray with edible pearl spray.

Tree

Pipe a zigzag for the stump of the tree using ivory buttercream and tip #16. Pipe the leaves using buttercream and tip #350. Immediately add custom-colored snowflakes, dragées, and nonpareils. Pipe the star using ivory buttercream and tip #32. Spray with edible pearl spray.
