- *green candy coating*
- *flower cookie cutter*
- *round cookie cutter*
- *school bus cookie cutter*
- *electric pink food color*
- *electric orange food color*
- *electric yellow food color*
- *electric green food color*
- *electric blue food color*
- *black food color*
- *tip #1*

ICING REQUIRED

Prepare royal icing and run sugar icing in the following colors: white, electric pink, electric orange, electric yellow, electric green, electric blue, gray (mix a small amount of black food color with white), and black.

SPECIAL BAKING INSTRUCTIONS

Cut the hippie van using a school bus cutter. Cut off the tires and set aside. Cut off the front of the school bus. Cut the top of the bus at an angle. Shift the tires to fit the new design.

Flower Cookies

Outline the flower and the center of the flower with black run sugar. Allow the outlines to set completely. Fill the outlines with desired run sugar in desired colors.

Happy Face Cookies

Outline the round cookie with black run sugar. Allow the outline to set completely. Fill the outline with yellow run sugar. Allow the yellow to set completely. Pipe details with black royal icing.

Hippie Van Cookies

Outline the tires, the tire hubcaps, and the van with black run sugar. Then outline the windows of the van and the rear bumper with black run sugar. Allow the outlines to set completely. Fill in the windows and the rear bumper with gray run sugar. Fill in the tires with black run sugar. Fill in the hubcaps with desired color. Fill in the van body with white at the top and a contrasting color on the bottom. Allow the icing to set completely. When the icing is set, pipe flower and "love" details with desired colors of royal icing using a pastry bag fitted with a #1 tip.

Peace Sign Cookies

Outline the round cookie with black run sugar. Allow the outline to set completely. Fill the outline with yellow run sugar. Immediately pipe rings of in desired colors of run sugar and marbleize. Allow the marbled design to set completely. Outline the peace sign with black run sugar. Allow the peace sign outline to dry completely. When the outline is set, fill in the outline with desired color of run sugar.
