DECORATING INSTRUCTIONS

Skull Cookies

Outline and fill the skull with white run sugar. Allow to set completely. Outline and fill in the eyes with black run sugar. Immediately sprinkle with black disco dust. Pipe the nose and mouth with black royal icing using tip #1.5. Immediately sprinkle with black disco dust.

Bat Cookies

Outline and fill the bat wings with black run sugar. Allow to set completely. Outline and fill in the body with purple run sugar. Allow to set completely. Brush piping gel on the bat's body. Immediately sprinkle with lilac disco dust. Outline the bat with purple run sugar. Immediately sprinkle with lilac disco dust. Pipe the eyes and mouth with white royal icing using tip #1.5. Pipe dots for the eye and black royal icing.

Witch Hat Cookies

Outline and fill the band of the witch hat with orange, green, or purple run sugar icing. Allow to set completely. Outline and fill in the hat with black run sugar. Allow to set completely. Pipe hat details with run sugar icing and immediately sprinkle with the same color of disco dust.
