

Wolf Girl Activity sheet

Sophy dreams of being a wolf because they are brave.

she loves dressing up in her wolf suit because then she feels brave too.

if you could be an animal what would it be & why would you choose it?

Maybe you would pick a monkey because
you'd love to swing through the trees.

Perhaps you would choose a sleepy dormouse
because you like to snuggle & snooze.

Possibly it would be a bird, so you
could fly high, high up in the sky?

Or even a BIG, brown bear so you
can growl ferociously?

Task 1 Writing

Make a list of all the animals you would like to be.

How do you think they move?

What do you think they smell like?

What do you most like about them?

Why have you chosen this creature?

Add these thoughts to your list.

Maybe you could write a poem about your animal?
