Don't forget to promote your event on your website, event calendar, and social media. Use **#Footloose4Kids** to help promote the event. Tag **@QuartoKids** so we can share/retweet and join in the fun.

## Outline of event (one hour, approximately):

**5 minutes:** As kids arrive, have them sit at drawing table and begin cutting their masks.

**3-5 minutes:** Welcome everyone and read the book aloud.

**5-7 minutes:** Have several staffers demonstrate the dance without music.

**5-10 minutes:** Still without music, ask all the kids to get up and try a few of the animal moves. For some groups it may help to assign a specific animal to each participant.

**5-10 minutes:** Start the music and dance (and repeat)!

**10-25 minutes:** Kids can now continue cutting their masks or working on the reproducibles. If you are serving refreshments, we suggest waiting until now.

# Lyrics to FOOTLOOSE

Music and lyrics by Kenny Loggins & Dean Pitchford

 Zookeeper Big Jack  
checks in his star map.  
Tonight's a full moon.  
Some fun is comin' soon.

All the animals are watchin'  
to see if everyone's gone.  
Gettin' ready to party,  
they're gonna be dancin' till  
the dawn.

**STEP 1** They're gonna cut loose.  
Footloose!  
Slip on their dancin' shoes.

**STEP 2** Jeez, Louise,  
rockin' the chimpanzees.

**STEP 3** Jack, jump back!  
Howlin' with the wolf pack.  
Lose your blues.  
Everybody cut Footloose!

Four llamas  
all leap  
while lion's tryin' to sleep.

Five rhinos in a row,  
all jumpin', bumpin' to the  
Mr. DJ Elephant's  
funky, hip-hoppin' grooves.  
Every monkey's out dancin',  
giraffes and kangaroos  
are, too.

All the zoo's about to  
cut loose!  
Footloose!  
Slip on their dancin' shoes.  
Ooh whee, Marie,  
who's shakin' your tree?

Whoa, Milo,  
teaching 'em all to tango.  
Lose your blues.  
Everybody cut Footloose!

 First!  
You got to turn me around.  
Second!

And put your feet on the  
ground.

Third!  
Do what the animals do.  
They're turnin' it loose!

Footloose!  
Slip on their dancin' shoes.  
Ooh, Lulu,  
what's that wiggle you do?

Jack, jump back!  
Here come the ducks,  
"quack, quack!"  
Lose your blues.  
Everybody cut Footloose!

Footloose!  
Slip on your dancin' shoes.  
Ooh whee, Lucy,  
shake it, shake it for me.

Luke, too cute,  
funkiest cat in the zoo.

Lose your blues.  
Everybody cut Footloose!

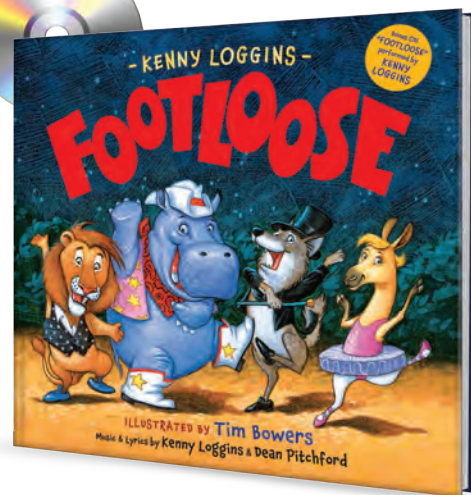

Footloose!  
Slip on your dancin' shoes.  
Oh, whoa, hippo,  
kickin' it heel to toe.

 Jack, don't nap.  
The sunrise will soon be back.  
But the zoo's  
not through . . .

Everybody cut, everybody cut.  
Everybody cut, everybody cut.  
Everybody cut, everybody cut.

everybody cut

# Join the #Footloose4Kids Zoo Dance Party!

Want to wiggle, shake, and twist with the Footloose zoo dance crew? It's easy: Turn up the music, then follow these steps to get your animal groove on!

When the chorus comes on, do the #Footloose4Kids Dance!

## STEP 1

When you hear:  They're gonna cut loose, **Footloose!**  
**Slip on their dancin' shoes** 

**Do this:** Turn around in a circle. Don't be afraid to shake your hips, wave your hands in the air, or wiggle as you turn!

## STEP 2

When Kenny sings:  Jeez, **Louise**, rockin' the chimpanzees. 

**Do this:** Jump up and down OR jump back and forth from one foot to the other foot.

## STEP 3

When you hear:  **Jack**, jump back!  
**Howlin' with the wolf pack.**   
**Lose your blues.**  
**Everybody cut Footloose!**

**Do this:** Dance like your favorite animal!  
Check out these dancing-room-only ideas.

## Dance Like the Animals!

**Elephant!** Put your nose to your shoulder, then stretch out your arm and swing it up and down — it's your elephant trunk!

**Duck!** Open and close your hands and yell "quack quack!"

**Tiger!** Grab a partner, and do the tango! Dip your partner, stand up straight, walk a few steps, then turn around.

**Flamingo!** Shake your tail feathers!

**Chimpanzee and Monkeys!**  
Walk with your legs far apart, and swing your arms above your head.

**Zookeeper!** Jump back and forth.

**Snake!** Put your hands together, palm to palm, then hold them high above your head and wiggle your body side to side.

**Hippo!** Kick your right leg forward, then your left leg forward as high as you can!

**Make up Your Own Moves!**
